TOXI CARE

Pond cleaner & toxin binder

TOXICARE is safe , rapid acting pond cleaner and toxin binder.

Advantages

- **Purifies Water:** TOXICARE absorbs H_2S (Hydrogen Sulphide), NH_3 (Ammonia) and other toxic gases from water.
- **Cleans Pond Bottom:** TOXICARE absorbs bacteria, suspended solids, waste and dirty material.
- **Increases D.O.:** TOXICARE helps to increase the amount of Dissolved Oxygen in the pond bottom with special active elements SiO_2 and Al_2O_3 .
- **Helps in reproduction of plankton:** Because of improved water quality and special nutrients, TOXICARE helps in better growth and reproduction of plankton.
- **Removes bad odour:** TOXICARE absorbs bad odour from water and pond bottom and develops a healthy environment for the prawns/fishes to grow.
- **Improves water quality:** TOXICARE with its high CEC improves water quality by adjusting the pH value of the water.

Dosage : Pond preparation: 50 Kg or more / Ha
During culture: 15 – 20 Kg or more / Ha.
(Dosage and time can be adjusted based on prevailing culture conditions)
